Dear Mr. Dhasmana,

Although it is some time since we were at Bristol, we did not want to leave it unsaid how grateful we are at all you did for our daughter Rebecca. We often think of the marvellous care and attention you gave her. We do appreciate it and it is a

help to us now remembering how
Rebecca, and my husband and I
were looked after at such a
trying time.

.....Thankyou.

With our best wishes for 1987

Yours sincerely,

Nick and Sue Francombe
