If it shall at any time hereafter appear, or be made known to the President or Censors, that any Fellow or Member of the College or the Royal Colleges of Physicians of the United Kingdom has obtained admission into the College, or that any Licentiate of the College has obtained the Licence of the College by fraud, false statement, or imposition, or that any Fellow, Member, or Licentiate has been guilty of any great crime or public immorality, or has acted in any respect in a dishonourable or unprofessional manner, or has violated any Statute, Bye-Law, or Regulation of the College relating to Fellows, Members, or Licentiates, as the case may be, the President and Censors may call the Fellow, Member, or Licentiate so offending before them, and having investigated the case, may admonish, or reprimand, or, if they deem the case of sufficient importance, may report the case to the College, and thereupon a majority of two-thirds of the Fellows present who shall have received notice of the case in a separate special summons to the Meeting, may declare such Fellow not to be a Fellow or Member of the College, or such Member not to be a Member of the College, or such Licentiate not to be a Licentiate, for a limited period of time or altogether, as the College shall determine; and such Fellow, Member, or Licentiate shall forfeit all the rights and privileges which they do or may enjoy as a Fellow, or as a Member, or as a Licentiate, as the case may be, either for such limited period of time, or altogether, as the College shall determine; and their name shall be expunged from the List of Fellows, or from the List of Members, or from the List of Licentiates, as the case may be, either for such limited time or altogether, as the College shall determine. Should the General Medical Council as a result of a direction to its Registrar by the Professional Conduct Committee order the name of a Fellow, Member or Licentiate to be erased from the Medical Register, the name of that person will automatically be removed from the list of Fellows, or from the list of Members, or from the list of Licentiates, whichever is appropriate. Should the name subsequently be restored to the General Medical Register, it will then be open for the former Fellow, Member or Licentiate to apply to the College for restoration to the list of Fellows, Members or Licentiates, as the case may be.
