

I cannot comment on the medical correctness of what was and what was not done, but the very operation that Bristol was against, Brompton did and with success.

32. I am aware of the purpose of the Inquiry. Management of a baby's health must involve management of the parent/s. As I left Bristol on the removal of [REDACTED] to Brompton Dr Jordan said to me, "If you go to Brompton, don't you ever put your foot back in Bristol again."

33. The contents of this my statement are true.
