Dear Dr. Doyle,

Re: Paediatric Cardiac Surgery

Gianni Angelini, Professor of Cardiac Surgery here at UBHT, has copied to me the correspondence he has recently had with your department.

I felt I should write to confirm the Trust Board's awareness of this problem, for which reason we are seeking to appoint another full-time Consultant Paediatric Cardiac Surgeon, and the Appointments Committee is due to meet on 20th September.

The decision has already been taken by the Trust Board, and plans are in hand, to move Paediatric Cardiac Surgery into the Children's Hospital. I have every confidence this move, and the appointment of the new Surgeon, will resolve the situation for the future.

I will continue to monitor the situation with Gianni Angelini, and I see that he has promised to keep you informed.

Yours sincerely,

 Dr. J. Roylance
 Chief Executive
