Professor David Hamilton
Department of Surgery
Royal Infirmary
EDINBURGH EH3 9YW

NEONATAL AND INFANT CARDIAC SURGERY

I write simply to thank you very much indeed for the excellent report which I received the day before yesterday and which I have now forwarded on to the Department.

I enclose herewith a copy of that letter.

I am not sure yet whether I shall still be on the Supra Regional Services Advisory Group when this matter is discussed, but I do thank you for a balanced and authoritative report which, as you will see from my letter, has the full support of the Royal College of Surgeons.

May I thank you and your colleagues for your important contribution to this matter.

Yours sincerely

SIR TERENCE ENGLISH KBE PRCS
