### 2 **Communications** *Error! Bookmark not defined.*

- 3 1. Bolsin SN, Morgan C, Ray RJ. A simple preoperative scoring system for  
4 predicting mortality and intensive care unit stay in adult patients undergoing heart  
5 surgery with cardiopulmonary bypass. *J Cardiothorac Anaesth* 1990;4(S3):139.
- 6 2. Raftery S, Wright I, Bolsin S, Monk C, Prys-Roberts C. Enoximone during  
7 cardiac surgery. *Br J Anaesth* 1991;67:651-652P.
- 8 3. Day C, Duncan F, Lopatzidis A, Feneck R, Bolsin S, Black A. Pre-weighted  
9 sum scores and stepwise logistic regression in explaining mortality from cardiac  
10 surgery. *Br J Anaesth* 1995;75:242P.
- 11 4. Lopatzidis A, Day C, A.M.S. B, Bolsin SNC. Application of multiple logistic  
12 regression modelling to a cardiac surgical multicentre trial. Proceedings of the  
13 International Conference on Health Policy Research. Boston: University of  
14 Harvard, 1995:106-109.
- 15 5. Moshal D, Day C, Lopatzidis A, Bolsin S, Black A. Artificial neural network  
16 and multiple logistic regression modelling of outcome data from cardiac surgery.  
17 *Br J Anaesth* 1995;75:239P.
- 18 6. Black A, Day C, Lopatzidis A, Sherry E, Bolsin S. Which modelling approach  
19 for multicentre audit of clinical outcomes? *Br J Anaesth* 1995;75:243P.

### 21 **Original articles** <sup>(7-27)</sup>

- 22 7. Bolsin SN, Gillbe C. Opitz-Frias syndrome. A case with potentially hazardous  
23 anaesthetic implications. *Anaesthesia* 1985;40(12):1189-93.
- 24 8. Bolsin SN. Detection of neurological damage during cardiopulmonary bypass.  
25 *Anaesthesia* 1986;41(1):61-6.
- 26 9. O'Mahony BJ, Bolsin SN. Anaesthesia for closed embolisation of cerebral  
27 arteriovenous malformations. *Anaesth-Intensive-Care* 1988;16(3):318-23.
- 28 10. Stevens PE, Bolsin S, Gwyther SJ, Hanson ME, Boulton JE, Kox W. Practical  
29 use of duplex Doppler analysis of the renal vasculature in critically ill patients.  
30 *Lancet* 1989;1(8632):240-2.
- 31 11. Spencer EM, Bolsin SN. Monitoring the EEG in the ITU. *Intensive Care World*  
32 1990;7:34-8.
- 33 12. Perlman D, Bolsin SN, Edwards M. The accurate measurement of blood flow  
34 through haemodialysis arterio-venous fistulae prior to cardiopulmonary bypass.  
35 *Anaesthesia Points West* 1991;24:70-3.
- 36 13. Manara AR, Bolsin S, Monk CR, Hartnell G, Harris RA. Metoclopramide and  
37 renal vascular resistance. *Br-J-Anaesth* 1991;66(1):129-30.
- 38 14. Manara AR, Monk CR, Bolsin SN, Prys-Roberts C. Total i.v. anaesthesia with  
39 propofol and alfentanil for coronary artery bypass grafting. *Br J Anaesth*  
40 1991;66(6):716-8.

- 1 15. Munn J, Tooley M, Bolsin S, Hronek I, Lawson S, Willcox J. Effect of  
2 metoclopramide on renal vascular resistance index and renal function in patients  
3 receiving a low-dose infusion of dopamine. *Br-J-Anaesth* 1993;71(3):379-82.
- 4 16. Izzat MB, Bolsin S, Bryan AJ, Angelini GD. Enoximone in internal mammary  
5 artery hypoperfusion. *J-Thorac-Cardiovasc-Surg* 1995;110(3):868-70.
- 6 17. Bryan AG, Bolsin SN, Vianna PT, Haloush H. Modification of the diuretic and  
7 natriuretic effects of a dopamine infusion by fluid loading in preoperative cardiac  
8 surgical patients. *J Cardiothorac Vasc Anesth* 1995;9(2):158-63.
- 9 18. Bolsin SN, Bryan AJ. Tuning the tables: can we improve the outcomes? *Focus on*  
10 *Outcome Analysis* 1995;1(5):24-5.
- 11 19. Bolsin SN. Current issues in outcome analysis. *Focus on Outcome Analysis*  
12 1995;1(6):15-6.
- 13 20. Black AMS, Bolsin SNC, Day CJ, Lopatzidiz A. Clinicians and case-mix  
14 adjustment of outcomes. *Focus on Outcome Analysis* 1995;2(5):3-7.
- 15 21. Sherry E, Tooley MA, Bolsin SN, Monk CR, Willcox J. Effect of dopexamine  
16 hydrochloride on renal vascular resistance index and haemodynamic responses  
17 following coronary artery bypass surgery. *European Journal of Anaesthesiology*  
18 1997;14(2):184-9.

3

4 **Recent Presentations**

5 Invited Speaker Australian Medical Association Annual Conference Perth 1998.  
6 Kirby Oration; Annual Health Law & Ethics Conference 1999: 'Power & Responsibility'  
7 Lambie-Dew Oration; 1999: Sydney University Medical Society. 'The Bristol Cardiac  
8 Disaster'.

9

10 **Courses**

11 Completed 1<sup>st</sup> year of Masters in Healthcare Management. Monash University,  
12 Department of Epidemiology, Clayton, Melbourne 1999.  
13 An Introduction to Transoesophageal Echocardiography, St Vincent's Hospital,  
14 Melbourne 1997.

15

16 **Papers in Preparation**

17 Bolsin SN, Savelescou J. Consequenses of honesty. The end of benevolent paternalism.  
18 Stowe P, Bolsin SN, Bucknell S. A review of the first 500 cardiac surgery cases  
19 undertaken in a new cardiac surgery facility in Australia; morbidity & mortality data.  
20 Bolsin SN, Patrick A, Colson M. Anaesthetic training; can we define success?  
21 Bolsin SN, Tolley PM, Bowman M. The effect of i.v. clonidine on renal function and  
22 haemodynamics in patients prior to cardiac surgery.  
23 Bolsin SN, Tolley PM, Bowman M. The effect of i.v. clonidine on urinary oxygen tension  
24 in humans.  
25 Bolsin SN, Tolley PM. The effect of i.v. ketorolac on urinary oxygen tension in humans.  
26 Bolsin SN, Martin, R, Tolley, PM. The effect of i.v. clonidine on renal function and  
27 haemodynamics in patients with impaired renal function.  
28 Bolsin SN, Tolley PM, Martin R. The effect of i.v. clonidine on urinary oxygen tension in  
29 patients with impaired renal function.
