

**RESPONSE OF JAMES D WISHEART TO THE STATEMENT OF
MONA HERBORNE, DATED 9TH NOVEMBER 1999**

1 CHILDREN FROM CORNWALL

Page 5, Paragraph 16

'...there were 'coffee room' discussions about the fact that Cornwall sent children requiring heart surgery to London instead of Bristol.'

Comment

This is not correct; it is not a fact. Cornwall's children came to Bristol for heart surgery.

Children from Plymouth went to the Brompton or Southampton for heart surgery.
