Dear Giani

Thank you for your letter of 19 August and apologies for the delay in replying. I too have just returned from leave.

I am very pleased to hear that the difficulties I referred to in my last letter have been recognised and action is being taken to remedy matters. I look forward in due course to hearing that a new appointment has been made and that the results from Bristol are at least as good as those from other major centres undertaking paediatric cardiac surgery.

Should any problems arise please do not hesitate to let me know if you think I can be of any further help.

Yours sincerely

Dr Peter J Doyle  
Senior Medical Officer
