Dear Rennie

PEDIATRIC CARDIAC SERVICES

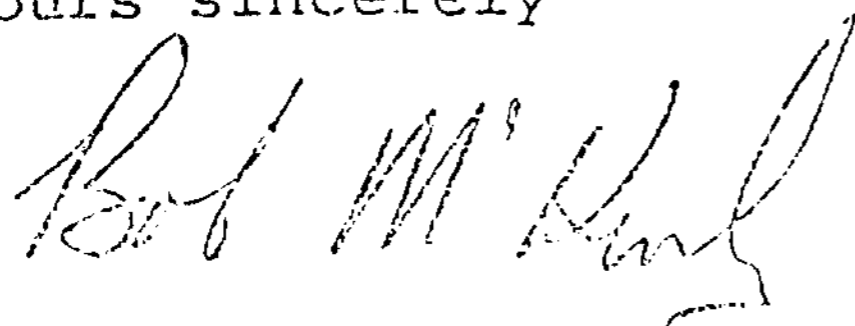

Following on from our helpful discussions last Thursday, Graham Nix, Gabriel Laszlo and I met with the Cardiac Surgeons, anaesthetists and radiologist on Monday and Tuesday evening this week. At the meeting we exposed many of the underlying issues and had unanimous agreement on the way forward which is represented in the enclosed protocol. This protocol is now in operation and will be presented to the Trust Board on Friday this week.

A copy of the attached is being sent to Mr Marc de Leval and Dr Stewart Hunter for their confirmation that we have addressed the recommendations they raised.

A copy is also being sent to Dr Gabriel Scally for information.

If you have any comments or require clarification on any point please do not hesitate to contact me.

Yours sincerely

Robert M McKinlay, CBE
Chairman
