Dear Mr Everest

EXPANSION OF CARDIAC SURGERY FACILITIES TO 675 CASES PER ANNUM

During discussions with Miss Gerrish the General Manager at the Bristol Royal Infirmary, it has become apparent that a revision of the revenue costs of this expansion is required, in particular, the nurse staffing levels for the wards. This is currently being undertaken and I will be contacting you in the near future with the revised nurse staffing levels.

This note is just to keep you informed of what is actually happening.

Best wishes.

Yours sincerely

G R Nix
